MEMORANDUM

25X1A

SUBJECT: Interagency Intelligence Product on Soviet  
Activities in the Middle East

1. The attached correspondence is, I believe, self-explanatory and in some cases familiar.

2. I would like to have a meeting of the probable CIA participants in this project before the interagency meeting on 14 October. It would be helpful to go over the topics suggested in Deputy Secretary Clements' letter with an eye to refining them (the DCI's response gives us considerable flexibility in this regard), and to get commitments from Agency components on what each will do.

3. Please designate one or two people to meet in my office, 7G25 Headquarters, at 2 p.m. on 9 October.
